

## Membership List and Dues Status

(As of October 3, 2024)

If the year to the right of your name is 2024 or later, you are paid up and current on your dues. If nothing appears to the right of your name in the "Dues Paid Through" column, or it is a year prior to 2024, you are **NOT** current with your dues. Lifetime Members are always considered current with their dues. Numbers to the right of "Life" indicate the order in which life memberships were issued. If you have a question about your membership status, e-mail Michele Allston at [membership@fwsretirees.org](mailto:membership@fwsretirees.org). There are currently 2,460 individuals or couples in the membership database, 217 Sustaining Members (i.e., paid up with their dues), plus 61 Lifetime Members or their surviving spouses.
